

PUBNETWORKING

SUPPORTING LOCAL BUSINESSES

Powered Up Business Networking is an established monthly business networking event bringing together local business owners and decision makers in a relaxed pub environment across the UK.

Focused on genuine conversations rather than formal pitching, PUBNetworking creates a consistent space where relationships develop naturally and business connections grow over time.

WHY BUSINESSES ATTEND

- Established monthly networking events
- 20 to 30 local businesses each meeting
- Informal setting that encourages conversation
- No membership commitment
- Growing and loyal local business community

WHY SPONSOR PUBNETWORKING?

LOCAL VISIBILITY

Sponsors receive consistent exposure to local business owners and decision makers attending monthly events and visiting PUBNetworking online.

COMMUNITY ASSOCIATION

Sponsors are recognised as businesses supporting the local business community and helping maintain a welcoming networking environment.

CONSISTENT PRESENCE

Regular monthly visibility builds familiarity, trust and referrals over time through repeated interaction with attendees.

Sponsorship helps improve the night while keeping things relaxed and informal.
